GENTLE CARE TOOTHPASTE

SANITIZING ACTION, WITH VITAMIN E

 VITAMIN E

 XYLITOL

 HYDRATED SILICA

- LIATRIS ODORATISSIMA
- GERANIUM MACULATUM
- EUGENOL
- PANTHENOL
- HEXETIDINE
- GERANIOL

Unique **DENTISSIMO®** toothpaste is based on natural ingredients and ensures more care, more safety, more gentle attitude to oral health.

Exclusive aromatic extract of **Liatris Odoratissima** was historically used by Native Americans for its stimulant and expectorant properties. Currently, the plant helps to prevent gum irritation and relax gum tissues. **Hydrated Silica** gently cleans the tooth enamel from plaque and carefully polishes teeth. **Xylitol** has antibacterial effect and strengthens the top layer of the tooth enamel, reducing sensitivity of the teeth. **Geranium, Geraniol** have sanitizing effect and help to stimulate the gum healing. **Panthenol** moisturizes, softens and aids in healing the tissues of the oral mucosa. **Vitamin E** is antioxidant and helps against gum diseases.

Hexetidine has a broad spectrum of antibacterial and antifungal activities and a slight anesthetic effect. **Eugenol** complements the aroma composition, assists in suppressing halitosis. The toothpaste ensures a pleasant feeling of fresh breath.

 FLUORIDE FREE
